

REDUCE or ELIMINATE the cost of your child's
Spring 2018 Choral and Instrumental Music Department Trip

Scotch Plains-Fanwood Music Boosters Association organizes this fundraiser which gives you the opportunity to REDUCE or ELIMINATE the cost of your instrumental or choral student's Music Department trip just by shopping for groceries. When you purchase Shop Rite or Stop & Shop gift cards through the Music Boosters, our organization earns a profit of 5% which is then credited DIRECTLY to YOUR student's trip account

Cards are available in **\$100** denominations

For EVERY \$100, you EARN \$5! Collect orders from family, neighbors and friends

Checks received by **5pm Sunday** evening will allow for pick up the following weekend.

Pick up days and times may vary depending on the supermarkets' delivery dates.

Emails will be sent when orders are available for pick up.
Note: Stop & Shop cards can take up to two weeks to arrive

Drop checks and order forms in the black lock-box on the right hand railing, or send via USPS to
