

Guidelines for the SPFHS Marching Band 2017-2018 Season

As a member of the ensemble you are responsible for and understanding the following:

1. Attend all rehearsals and performances.
2. You are member of an organization. You are expected to act professionally when in uniform and in the public eye at all times.
3. As a member, you will be part of an organization that will spend a good amount of time together. While you do not have to be best friends with all the members, it is expected that you will treat each other professionally, with respect during rehearsals, performances, and anytime when we are assembled as a group.
4. If you are a returning member, you are expected to be the positive example and a good role model for the group.
5. You are a young adult. We expect you to act that way
6. Technique and teaching styles may be different than what you have learned before. Much of what we do will be different for you.
Please approach everything with an open mind.
7. Any member displaying disrespectful actions or language to themselves or others will jeopardize involvement in the group, regardless of seniority or section.

**Bottom line:
When we are mature, respectful of our fellow
members & the organization,
everything will be fine!**
