Football games...

- During 3rd quarter of football games, students will be allowed to go to the snack bar (need a few dollars). During home games they will also be provided with a drink and a snack donated and served by the Music Booster Parent volunteers.

Competitions...

- Typically Saturday night.
- We do not know our performance times until a couple of weeks prior to our performance dates.
- If there is a game and a competition on the same day, sometimes complimentary dinner is provided for the students through parent/guardian donations and served by parent/guardian volunteers at SPFHS after the game. All parents/guardians will be asked to donate for these meals.
- While at the competitions, there are often opportunities for food to be purchased after our performance – that is of course, if we perform early enough. If we go on later and the snack bar is closed, students should have a snack for after the competition.

SPFHS Marching Band Competition (Home Show)...

- The Raiders host an annual home competition - this year, it will be held on **Saturday, Sept 21, 2018** on our home football field.
- Marching Band parents organize this event and ***MANY volunteers are needed - please donate whatever time you can.***
