

**2019-2020**  
**MARCHING BAND UNIFORM AND COSTUME FEES**  
**For Musicians and Color Guard**

Each year, our Marching Band requires students to wear and maintain several clothing items that are needed to perform at our events. (We also purchase extras to be made available to students if items are damaged or lost.) In an effort to fairly distribute these costs across all marching band performers, district administrators worked with the music department supervisor and staff to create an equitable uniform and costume fee.

The estimated cost per student for shoes and gloves is **\$50.00**.

The contribution per student to cover the cost of new costumes, accessories, and any additional band uniform purchases needed to accommodate incoming students is **\$50.00**.

**Students may elect to wear the same shoes from one year to the next, but they are still responsible for the full uniform and costume fee.**

This year, each student will be required to pay a **\$100.00** *Marching Band Uniform and Costume Fee*. This fee will help to defray the cost of both the required and updated visuals elements that are integral parts of our show.

**Total Uniform/Costume Fee for each student .....\$100.00**
